

Circle Schools will be working on an Integrated Strategic Action Plan throughout the next few months and we need your participation and feedback! First, a Comprehensive Needs Assessment will be completed through a survey for students in grades 5-12, parents, staff, board members, business partners, and administration. Next, we will work together to analyze the results to identify and prioritize areas of need and improvement. Everyone is invited to participate in these meetings where we will work on creating SMART goals and action plans for Circle Schools. The first meeting will be on January 8th at 5pm in the high school library and the next meeting will be on January 22nd at 5:15 in the high school library. If you are interested in helping with this exciting process for our schools, please consider attending the meetings! The school website, [www.circleschools.org](http://www.circleschools.org) will have a tab for the Integrated Strategic Action Plan and it will be updated with notes from the meetings and other information. Feel free to call the school at 485-3600 for more information!

The Comprehensive Needs Assessment link to take the survey is:

[https://montanaopi.sjc1.qualtrics.com/jfe/form/SV\\_0ppbDFMo98Q3aMm](https://montanaopi.sjc1.qualtrics.com/jfe/form/SV_0ppbDFMo98Q3aMm)

Please fill out this survey by January 3rd, 2024.
